Wiens, Ted

University of Manitoba

BISON MEN'S CHORUS

The **BISON MEN'S CHORUS** was organized in September 1985 in response to a perceived need at the University of Manitoba. The opportunity of participation in a choral organization such as this permits students, faculty and staff, as well as alumni and other men from the community, to interact in an exciting musical experience. Dr. Larry Patterson, organizer and conductor, is an associate professor of Music Education and brings many years of choral experience to this chorus. A variety of repertoire is performed including traditional music for male chorus as well as contemporary settings of folk music, jazz, Broadway musicals and commissioned works. Auditions are not required.

The **BISON MEN'S CHORUS** has been well received in concert appearances including the Manitoba Legislature, several area churches, the University of Manitoba campus and the University of North Dakota, and a joint appearance with the Winnipeg Male Chorus. The **BISON MEN'S CHORUS** was also an invited choir at the Gala Concert celebrating the 10th anniversary of the Manitoba Choral Association.

The **BISON MEN'S CHORUS** was made possible by a grant covering the initial three years of operation provided by the University of Manitoba Academic Development Fund. The **CHORUS** is limited to a membership of sixty. Rehearsals are held Tuesdays, 5:00 - 6:30 p.m. at the Faculty of Education auditorium. Information on membership and concerts may be obtained by calling 474-9066 or 474-9022.
