The Bison Men are very pleased to offer this collection of Christmas music. Each December, since 1991, the Chorus has hosted a “Feeste of Christmas” and at least one Christmas concert. Our goal with this recording is to provide you with the same musical experience you would have at either of those events. Thus, we present the Bison Men’s Chorus in full, the Gallery Minstrels, two intimate sing-alongs with Keith Tipples, and one of our favorites; “Child of God” with Steve Howes playing drums, and one of our student members Alex Campbell playing bass guitar.

We are especially proud to include original songs and arrangements by our members; Brock McEwen, Keith Tipples and Harold Christie.

This is the Chorus’ second Christmas recording, the first being “Home for the Holidays” recorded in 1990, and their second under the direction of Steve Denby and accompanied by Cary Denby, the first being “He(a)rd in Manitoba” in the year 2000.

We hope you enjoy this recording, and we sincerely wish you all the best in this festive season and throughout the year.

MERRY CHRISTMAS!
